FROM LEFT Belize's low-key resorts and natural beauty appeal to escape artists. St. Barts attracts a see-and-be-seen, yacht-tripping crowd.

## CELEB CENTRAL

NINE ROMANTIC ESCAPES FIT FOR HOLLYWOOD LOVEBIRDS—AND YOU

### MAUI, HI

L.A. darlings like Kate Bosworth can't get enough of this hot spot, where days start with surfing in warm waves

and sunning on golden sands and end with sunsets and frozen mai tais on a private lanai. **Hot Hotel:** Four Seasons Resort Maui at Wailea; [fourseasons.com](http://fourseasons.com).

### FIJI

Fiji's idyllic isles are the place for once-in-a-life-time dives and intimate resorts beyond the reach of paparazzi. Many are

set on private islands, making it even easier for tabloid magnets like Doug Reinhardt to flee the limelight. **Hot Hotel:** Wakaya Club & Spa; [wakaya.com](http://wakaya.com).

### LOS CABOS, MEXICO

Sun-loving A-listers steal away to this desert oasis for a decadent south-of-the-border escape. Picture hushed,

adobe-style hideaways with service discreet enough to thrill even the most Ferg-acious diva. **Hot Hotel:** Las Ventanas al Paraíso; [lasventanas.com](http://lasventanas.com).

### TURKS AND CAICOS

Superstars seeking a locale as impossibly attractive as they are (ahem, Zac Efron) gravitate toward these

low-lying Caribbean isles for talc beaches, turquoise water, and jaw-dropping diving—with yoga on the side. **Hot Hotel:** Parrot Cay; [parrotcay.com.bz](http://parrotcay.com.bz).

### LAS VEGAS

The Rat Pack put Sin City on the map; modern-day celebs like Amy Adams are still making it Hollywood's playground.

The casinos, celeb-chef restaurants, and plush hotels are sure to spice up newly married life. **Hot Hotel:** Mandarin Oriental; [mandarinoriental.com](http://mandarinoriental.com).

### ST. BARTS

On this Caribbean jewel, you'll recognize famous faces everywhere: on the beach, at the supermarket, and—should you

have binoculars—on the yachts anchored offshore. (Hello, Diddy!) Prefer dry land? Try one of the isle's très chic retreats. **Hot Hotel:** Hôtel Le Toiny; [letoiny.com](http://letoiny.com).

### BELIZE

This bohemian paradise treats guests such as Penélope Cruz to solitude and natural beauty. Divers discover the world's

second-largest reef, adventurous types explore Mayan ruins, and the less active laze in hammocks. **Hot Hotel:** Matachica Beach Resort; [matachica.com](http://matachica.com).

### NAPA VALLEY, CA

With valley vineyards and luxe châteaux, Napa offers cinematic beauty to spare. Factor in haute hotels and farm-to-table

cuisine, and you've got the ultimate haven for SoCal sybarites like Jake Gyllenhaal, who pop up for quick getaways. **Hot Hotel:** Solage Calistoga; [solagecalistoga.com](http://solagecalistoga.com).

### VENICE, ITALY

In the country that practically invented romance, this living museum—on water!—specializes in la dolce vita: Stars like

Eva Longoria Parker go for espressos on St. Mark's Square and strolls through the soul-stirring streets. **Hot Hotel:** Hotel Cipriani; [orient-express.com](http://orient-express.com).
